**INTERAGENCY AGREEMENT BETWEEN McHENRY COUNTY  
STORMWATER COMMITTEE and  
THE VILLAGE OF RINGWOOD REGARDING PROVISIONAL  
CERTIFICATION FOR THE STORMWATER MANAGEMENT ORDINANCE**

**THIS INTERAGENCY AGREEMENT** is entered into this 30<sup>th</sup> day of October 2008, by and between **McHENRY COUNTY STORMWATER COMMITTEE ("MCSC")** and the **VILLAGE OF RINGWOOD**, an Illinois municipal corporation (the "Village").

**WITNESSETH:**

**WHEREAS**, the Village passed Resolution No. 2005-5-1 — *a Resolution of Intent to Participate in the National Flood Insurance Program* at its January 18, 2005 Board of Trustee's meeting; and

**WHEREAS**, at the October 30, 2008 Board of Trustee's meeting the Village approved the McHenry County Stormwater Management Ordinance as amended on April 15, 2008.

**WHEREAS**, the County of McHenry passed the McHenry County Stormwater Management Ordinance on January 20, 2004 and amended April 15, 2008, which provides that a community may petition the McHenry County Stormwater Committee (MCSC) for provisional certification via an interagency agreement which will define the level of Ordinance implementation by the community, the process of interaction between the community and the MCSC and a timetable for full Ordinance implementation.

**NOW, THEREFORE**, the parties agree as follows:

1. The Village shall proceed with the application to the Federal Emergency Management Agency for inclusion in the National Flood Insurance Program, and will provide a copy of the application to MCSC.
2. MCSC will allow the Village to operate with a provisional certification where the Village continues to review development and issue stormwater management permits, but only for areas outside of the floodplain as outlined on Federal Emergency Management Agency FIRM maps. If any development is proposed for a parcel that includes a floodplain, MCSC will be responsible for issuing the stormwater management permit for that development, until such time as Federal Emergency Management Agency has approved the Village of Ringwood's application for the National Flood Insurance Program.
3. Once the Village is granted participation in the National Flood Insurance Program, the Village will make formal application to MCSC for full recertification.
4. The Village will copy MCSC with reviews and permits issued on all developments during the provisional certification.
5. The Village will copy MCSC with correspondence with Illinois Department of Natural Resources and the Federal Emergency Management Agency.
6. If the Illinois Department of Natural Resources and the Federal Emergency Management Agency are unable to provide the Village with a timetable for their review and disposition of the National Flood Insurance Program application, MCSC will allow the

provisional certification to run a year or until such time that the National Flood Insurance Program application is ruled upon. If the Federal Emergency Management Agency is unable to provide a review in that time period, MCSC would allow the Village to apply for an extension of the provisional certification to grant the Federal Emergency Management Agency additional review time.

7. All notices, statements, demands, requests, consents, approvals, authorizations, offers, agreements, appointments or designations required under this Agreement or by law by either party to the other shall be in writing and shall be sufficiently given and served upon the other party if personally served, or sent by registered or certified mail, return receipt requested, postage prepaid, by facsimile transmission or by reasonably reliable courier service providing overnight or sooner delivery, postage prepaid, and addressed as follows:
