Dear Kevin:

Re: Street Vacation

I understand that the vacation of those portions of Jackson and Van Buren streets contiguous to Morton properties will be taken up at the February Village Board meeting. This letter is to provide you and the Village assurance that Morton will provide the Brennans with full access, as they require, to their property situated at the intersection of Barnard Mill Rd. and Van Buren St.

We are currently in discussion with Charles and Wayne Brennan relative to developing a written agreement which will ensure that Morton and the Brennans have access as needed to the shared portion of Van Buren St. which is to be vacated.

Sincerely,

MORTON INTERNATIONAL
