ORDINANCE NO. 04-07-01

An Ordinance Establishing Prevailing Wage Rates for the Village of Ringwood

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended (820 ILCS 130/1 et seq.), and

WHEREAS, the aforesaid Act requires that the President and Board of Trustees of the Village of Ringwood investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said Village employed in performing construction of public works, for said Village.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Ringwood, McHenry County, Illinois, as follows:

Section 1: To the extent and as required but "An Act regulating wages of laborers, mechanics and other workers employed in any public works by State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the Village of Ringwood is hereby ascertained to be the same as the prevailing rate of wages for construction work in the McHenry County area as determined by the Illinois Department of Labor as of June of the current year, a copy of said determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Illinois Department of Labor shall supersede the Department's June determination and apply to any and all public works construction undertaken by the Village of Ringwood. Section 3: The Clerk shall publicly post or keep available for inspection by any interested party in the main office of the Village of Ringwood this determination or any revisions of such prevailing rate of wage. The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.
