Applicant shall be responsible for all costs related to their application including but not limited to plan review, inspections and administration.

I understand that if the project scope warrants it and the project location is in a flood hazard area, a stormwater review fee will be added to the permit application fee and must be paid prior to picking up the building permit.

I hereby certify that the information contained herein is accurate to the best of my knowledge. I also herby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and we agree to conform to all applicable laws of this jurisdiction.

This subject project plan review submittal with supporting documents and all building inspections will be performed by HR Green, Inc. on behalf of the Village of Ringwood. Every effort has been made to identify all code deficiencies, however; failure to identify a code deficiency during plan review or during inspections does not alleviate any obligation to comply with all applicable code provisions and all applicable Village Ordinances. By signing this permit application you as the Home Owner, General Contractor, Design Professional or their representative, are confirming that you are aware of and agree to follow all Village of Ringwood Ordinances including but not limited to, all required Exterior Design Guidelines for new single family homes as identified in Ordinance 2024-02-21.
